

Excellence in Giving Introduces Client Services Team

June 13, 2011 - EXCELLENCE IN GIVING wants to introduce key personnel that have joined the Client Services team in the past year. To manage a growing roster of clients, Jessica Bocker joined the team as Director of Client Services in May 2011 and James Herr joined the team as Client Services Associate in September 2010.

As the Director of Client Services, Mrs. Bocker coordinates the Excellence in Giving suite of services to ensure that every client experiences the joy and significance of giving well.

"Jessica will lead a new wave of enhanced service to our clients," said Al Mueller, President and CEO of Excellence in Giving. "We are tremendously excited to have someone of Jessica's experience and professionalism leading our effort to upgrade our client services."

Mrs. Bocker brings diverse experience in operations management, human resources, marketing, public relations and customer service. She previously served as Vice President of Operations and Marketing at Biowatch Medical, a medical device and service company headquartered in Columbia, South Carolina. In this position, she was effective in improving the quality of customer service and scaling the company's operational capacity. Mrs. Bocker has a BA in English and French from the University of South Carolina.

Mr. Herr has been with Excellence in Giving since September 2010. He brings a strong background of client services and relationship management to Excellence in Giving. As a client advisor, Mr. Herr supports the firm's clients as they execute their giving strategies.

"James is playing a key role in enabling Excellence in Giving to better serve our clients," said Mr. Mueller. "We are pleased to have someone of his caliber on our team."

Mr. Herr's professional experience includes streamlining business operations and strategic planning for Alpha Strategies Corporation, a Financial Advisory Firm based in Fairfax, Virginia. His experience includes performing a full biopsy of a Fortune 500 company's financials and the effect of the market downturn. He holds BA degrees in Finance and Business Management from Virginia Polytechnic Institute.
